To Prof. Jan de Leeuw, Bettina Grün and Achim Zeileis, Editors,
Journal of Statistical Software

Dear Editors,

I am pleased to submit a revised version of the manuscript, entitled “Computerized Adaptive Testing with R: Recent Updates of the Package catR” for publication in Journal of Statistical Software as a code snippet. This manuscript is co-authored by Juan Ramon Barrada from Universidad Zaragoza, Teruel (Spain) and was assigned reference number JSS 1493R1.

Thank you for giving us the opportunity to review our manuscript. The Editor’s suggestions were taken into account in the revised version of the manuscript. A detailed response to the Editor’s suggestions and comments is appended.

As the corresponding author for this submission, I declare that this manuscript, or part of it, neither has been published nor is currently under consideration for publication elsewhere.

Yours sincerely,

David MAGIS
